

California State Senate

SENATOR
ANGELIQUE V. ASHBY, J.D.
EIGHTH SENATE DISTRICT

April 14, 2023

Dear Mr. Dobb & Friends of the Sacramento Public Library:

Congratulations! You have been selected by Senator Angelique Ashby as the 2023 Nonprofit of the Year for Senate District 8! This is the eighth year of the California Nonprofit of the Year Initiative, and with nonprofits doing more than ever to help their communities, your work should rightfully be celebrated!

Our constituents, especially children, are grateful for your advocacy in making sure public libraries provide free access to materials and resources. I share your belief that reading is fundamental to children's well-being and success. We as a community have a responsibility to ensure that all of our children progress from learning to read—to reading to learn.

As the voice for California's nonprofit community, the California Association of Nonprofits (CalNonprofits) is our partner in celebrating 2023's Nonprofits of the Year. CalNonprofits will follow up with more information to help you make the most of this honor. As a first step to sharing this good news, you can download an honorary seal to put on your website to announce your distinction as a 2023 Nonprofit of the Year!

If you have any questions about being selected as a 2023 Nonprofit of the Year honoree, you can reach out to Linh Ngo, Director of Projects & Membership at CalNonprofits at linhn@calnonprofits.org.

Congratulations!

Sincerely,

A handwritten signature in black ink that reads "Angelique Ashby". The signature is fluid and cursive, with a large loop at the end.

ANGELIQUE V. ASHBY
Senator, 8th District
